About This Content

In response to the overwhelming demand for more elemental magic animations, we are proud to present the 3rd Animations Collection featuring screen-wide effects that will further power-up mages in your game.

With Animations Collection III: Thaumaturgy, you can now give your casters' party-wide spells the stunning 60 FPS full-screen animations they deserve. In addition, the pack also comes with a dozen casting animations for your mages to use before they wreak havoc on their foes (or vice versa).

Take your game's spectacles to the next level and give your players the power to annihilate their enemies in style.

Features:

Includes Demo Project for easy copy/paste implementation into your project right out of the box.
12 casting animations.

3 status effect animations.
11 full-screen magic animations.
60 FPS and 30 FPS versions of each animation, for a total of 52 animation sheets.
